WASHINGTON, D.C. – Greater Washington Sports Alliance President Robert Sweeney issued the following statement regarding the passing of Washington Sports and Entertainment Chairman Abe Pollin:

“The Greater Washington Sports Alliance mourns the passing of Mr. Pollin. He was a leader in the business of sports, but more importantly, he was an exemplary figure in our community. His many achievements transformed the role that sports can have in our lives. Much of our work was started with the standards he had established, and they will continue on for many more years with the lifetime of legacies he has left us with. We extend our sincere condolences to the entire Pollin family.”
